Student Driving Experience Log©

Please bring your completed driving log to your driving lesson for your instructor's review.

Student Driving Experience Log

Date	Total Drive Time	Time of day	Type of Driving Experience (Rural, City, Highway, Freeway, Residential, Traffic, etc.)	Evaluation by supervising driver		
				Fair	Good	Exc.

Minnesota law requires a minimum of 30 hours of supervised driving, 10 of which must be in darkness, in order to be eligible for the road test. 10 additional hours are required during the provisional license phase. This is a minimal requirement and we encourage much more. Please record as many hours of practice driving as possible, especially during your behind the wheel training phase.
