

Behind the Wheel Only for teens (classroom with another provider)

Behind the Wheel for 18 and over

Brush Up Lessons

If you are seeking to complete your Minnesota driver requirement of 6 hours of behind the wheel training or if you are seeking to simply take additional training, we can help you. Students driving on an instructional permit or preparing for an instructional permit will need proof of completion of your 30 hour classroom program (your permit doesn't count). You can easily contact your classroom program provider and request this information be faxed to our office at 763.398-0998. All others, there is no documentation needed beyond a valid drivers license in order to take a driving lesson. Please call 763.551.0330 or 651.490-7561 or email us at coordinator@t-wheels.com to complete your registration.

All behind the wheel lessons are scheduled via the internet.
